

# वेडिस्टिनेशन नवलगारहे

Ever wanted to experience the real INDIA? Then this is an opportunity not to be missed!

Podar Eduspace has developed a unique program which will allow you to experience Rajasthan and its rich cultural heritage.

As you immerse yourself into the culture and colors of Rajasthan, you can get a new perspective to life from this once in a lifetime experience. You will spend 2 days to 4 weeks in Nawalgarh (Rajasthan) where you will get insight into various aspects of life in India. You will also get an opportunity to work with the Anandilal Podar Trust, a 93 year old charitable organization which has the legacy of having Mahatma Gandhi (Father of the Nation) as the first Chairman.

Besides volunteering and engaging with the local community, you will also have the chance to enrich your India experience by participating in fun-filled activities like Yoga, Folk Dancing, Rangoli Making, Turban and Sari Wearing and many more!

This is an incredible learning opportunity not to be missed...
