

## Job Able Program (JAP):

We have developed a unique Job Able Program (JAP) which comprises of 9 independent certificate modules that cover a wide range of areas that are of importance to employers. This is a novel concept which has been developed and written with the help of Industry and Education experts from Australia - Dynamic Learning Services group which is an Australian Government certified body for Vocational Training. This program is aimed at young people all around the world who are looking to better prepare themselves for full time employment and ease their transition into the workplace.

The modules (as detailed below) cover an array of areas and skills which are critical to create and enhance job readiness amongst young individuals who are looking to set foot and leave a mark in the work place.
