

# Our Education Initiatives

## Books2Biz - Research Program:

This unique program aims to aggrandize the research skills of a student of a University/College and provide them with virtual work experience, while still being on Campus. Student researchers are given the opportunity to work online on projects by eminent corporates associated with us. To improve the quality of research work, each student researcher is guided by a mentor and is eligible to be awarded a certificate acknowledging their contribution and effort.

## Job Able Program:

We have developed a Job Able Program (JAP) which comprises of 9 independent certificate modules that cover a wide range of areas that are of importance to employers. The modules are - *Workplace Etiquette, Business Ethics, Communication, Technology, Teamwork & Team building, Launching your Employment Campaign, Self Management, Problem Solving & Thinking out of the box, Planning & Organizing*. This is a novel concept which has been developed and written with the help of Industry and Education experts from Australia - DLS (Dynamic Learning Services) group which is an Australian Government certified body for Vocational Training. This program aims at young people all around the world who are looking to prepare themselves for full time employment and to ease their transition into the workplace.

## Certificate Programs with IRR Advisory:

In partnership with IRR Advisory (a Fitch group Company), we have developed a series of short independent programs in the field of Business and Finance. Delivered by industry professionals, these certificate programs are in the following areas - *Entrepreneurship, Financial Analysis, Company Valuation, Fundamental and Technical Analysis* for budding students who are interested in getting more knowledge in these areas.
